

SPO3050TM/S/T

FEATURES

- Provides more cooking power than a traditional microwave and offers all-in-one oven versatility by combining microwave, convection, and broil technologies
- Assures predictably delicious results with 10 microwave power levels, convenient quick-start modes, and an intuitive Gourmet mode
- Includes two racks and two risers to improve air circulation and enhance browning
- Fits a 9-by-13 pan in the 1.6 cubic feet, stainless-steel interior
- The 8" full-color LCD touchscreen has an interface and aesthetics similar to other Wolf wall ovens for a cohesive user experience
- The interface is easily customizable and intuitive, with on-screen messaging to guide you through the various modes and features
- Soft-open and -close door provides the luxury feel Wolf is known for
- The elegant, modern design perfectly pairs with a full suite of similarly styled Sub-Zero, Wolf, and Cove appliances
- Master your technique with tips and recipes from the Mastering the Speed Oven guide
