

DD 30

FEATURES

Breathe cleaner air and enjoy less greasy residue in your kitchen

"Disappears" when not in use for a sleek, minimal look and use in open-concept kitchens

Lowers when not in use, and rises 14 inches to whisk away smoke and odors

Enjoy remote control operation within nine feet of unit

Matches the heavy-gauge stainless steel look of Sub-Zero, Wolf, and Cove

Select from internal, in-line, or remote blower options (blower required)

Automatically turns off the blower with a five-minute "delay-off" feature

Minimizes the backward flow of cold air with backdraft transition

Install a reversible motor box on either side of the downdraft for design flexibility
